

## Rodney Scout Reservation Prerequisite Completion Form

*Please submit this form by email to [rsrpd@dmvc.org](mailto:rsrpd@dmvc.org) or to the camp office by Tuesday at 12 noon. On Monday in class, staff members in all classes will remind Scouts of prerequisite requirements as listed in the Description of Programs. All Scouts who have completed all prerequisites for merit badges listed should be included on this form. Please be sure to specify which merit badge(s) each Scout is taking. If you have more than 20 Scouts taking merit badges multiple copies of this form should be used. Brownsea Scouts will complete the requirement for swimming in camp, but it may be included if they have covered the material. All prerequisites not listed should be brought to camp and to the program area when directed by the instructor.*
