*Please submit this form by email to [hsr@dmc.org](mailto:hsr@dmc.org) or to the camp office by Tuesday at 12 noon. On Monday in class, staff members in all classes will remind Scouts of requirements to be done outside class as listed in the Description of Programs. Please be sure to specify for which requirements you are attesting for each Scout listed. If you have more than 30 Scouts taking these merit badges, multiple copies of this form should be used. Brownsea Scouts will complete the requirement for swimming in camp, but it may be included if they have covered the material. All requirements not listed on this form but in the Descriptions of Programs document should be brought to camp and to the program area when directed by the instructor.*
