Cub Family Day Information Cars & Carpooling:

Parking is at a premium in camp so please carpool as much as possible. Please drive only on established camp roads. ALL vehicles will need to be parked in the main parking lot and remain there until departure. The camp parking lot can be found by following the camp road to southeast corner of the property.

Check-In:

Starting at 9:30am, Check-in will occur at the Check-In Pavilion near the parking lot. ALL attendees must be checked in. You will receive your group schedule for the day and your event patch at check-in.

Program Groups & Times:

Cub Family Day Programs will begin at 10am and run until 4:50pm. Groups will be assigned to participants at check-in. We will make every attempt to have all members of a given Pack in the same Group. Each Group will be assigned time slots in which they will travel to and participate in various activities. The official schedule for the day for your assigned Group will be given to you at check-in.

Lunch:

All attendees are responsible for bringing their own lunch/snacks as there will be no food service. Refrigeration and microwaves will not be available, so plan accordingly. You can eat outdoors whenever and wherever you'd like, though you will have a period of your day scheduled for a break/lunch. If you find a good spot and a down moment, feel free to enjoy a snack or your lunch. Adequate trash cans and recycle bins will be placed strategically throughout camp. Remember a Scout is clean.

Some Activities that will be available:

Fishing (use camp gear or bring yours from home)

Tie Dye (we will provide a bandana to dye; you can buy a t-shirt to dye in the Trading Post or bring something from home)

BB Range

Archery Range

First Aid:

There will be a Camp Health Officer located on property for any first aid needs. Please make sure that you have a completed and updated BSA Annual Health & Medical form (Parts A & B) for each person attending. These forms will remain with the Pack Leader, or individual family. Health forms can be found on the BSA National website at: <http://www.scouting.org/scoutsourc/HealthandSafety/ahmr.aspx>
