

Permission to Leave Camp

I do acknowledge and hereby give permission to the Camp Director to allow my son to leave camp on his scheduled night and/or day off with someone other than myself or other legal guardian. We have reviewed the Del-Mar-Va Council policy on time off. We understand that he is required to leave camp during his day off, and that he is expected to go home. We understand that neither Del-Mar-Va Council's agents nor employees will assume responsibility for my son during his scheduled time off, and that he is not under the direction, control or responsibility of the Del-Mar-Va Council.
